

# Canyon Vista Pool

## Waiver Form

Thank you for your continued trust in our pool association. As with the transmission of any communicable disease like a cold or the flu, you may be exposed to COVID-19, also known as “Coronavirus,” at any time or in any place. Be assured that we have always followed state and federal regulations and recommended universal personal protection and disinfection protocols to limit the transmission of all diseases at our pool and continue to do so.

Despite our careful attention to sterilization, disinfection, and use of personal barriers, there is still a chance that you could be exposed to an illness at the pool, just as you might be at your gym, grocery store, or favorite restaurant. “Social Distancing” nationwide has reduced the transmission of the Coronavirus. Although we have taken measures to provide social distancing, due to the nature of the activities at the pool, it is not always possible to maintain social distancing between lifeguards and patrons that might need rescuing or individuals that might partake in private swim lessons.

Although exposure is unlikely, do you accept the risk and consent to enter the pool?
